Maruf Ahmed

Curious JavaScript Developer

Ashullia, Savar, Dhaka - 1344
mdmarufahmed43@gmail.com

SUMMARY

Dynamic and detail-oriented Web Developer with a skill for user-friendly, solutions effectively. Experience with an e-commerce web app, a CRM online portal, and a fully-functional website for going beyond web technology. I have an extensive understanding of end-to-end Front-end and Backend technology. I also try to be regular participants of local hackathons and web developer meetups.
